HEAT PUMP

CF PREMIUM VERTICAL

Extend your swimming season with peace of mind, thanks to high performance with minimal noise.

+ products

Smart:

- 3 operating modes: Boost/Smart/Silence.
- Turbo-Silence technology. Boost mode provides 120% more power to lengthen the pool season.
- Vertical air flow is more silent and takes up less space.
- Inverter technology to adapt the energy when needed.
- Excellent C.O.P. up to 16.

Intuitive:

- Controllable via a dedicated application on the home wifi.
- Touch control screen with integrated flow indicator.

Responsible:

- R32 Green freon gas is 3 times less polluting**

USEFUL TO KNOW

- 3-year warranty for the heat pump
- 10-year warranty for the compressor
- Exchanger is warranted for life against rust

ALSO

- Operates from -15°C air temperature*
- Aluminium casing
- Shipped with winter cover and silent bloc*

* except ref. CFVERT60T.

** compared to previous generation R410A freon gaz.
