

FILTRATION

CARTRIDGE FILTER

The economical filtration solution for
impeccable pool water

CF 
TRUST THE POOL EXPERTS

FILTRATION CARTRIDGE FILTER

The filter for clear, healthy water, combining efficiency and water savings.

+ products

Sustainable consumption:

- Extremely low water consumption: no filter backwashing and only 20 liters of water required to clean the cartridge
- Reduced chemical consumption thanks to fine filtration
- Low cartridge cleaning frequency: 2 to 3 times per season

Easy to install:

- Compact and lightweight for a small footprint: 225 mm diameter
- 2 possible outlets for the water connection: 90° or 180° (for better adjustment to the technical room constrains).
- Large filtration area: perfect for large pool volumes

Reliable and easy to use:

- UV-resistant ABS tank
- Lid locking with screw-on collar: easyaccess cartridge
- Oil-bath pressure gauge more reliable and accurate than conventional gauge

ALSO: Available in 2 models

Maximum flow rate: 22,9 m³/h and 33,4 m³/h

Filtration area: 9,4 m² and 13,72 m²

Filtration fineness: 20 μ

USEFUL TO KNOW

One cartridge included

Maximum operating pressure: 2.5 bars

For pools up to 90 m² and 130 m²
